alıcıdan aldığı in mesajı telefon etmek

anladığım kadarıyla şunu demek istiyorsun:
gibi bişi

Characteristics of the Sender

- ▶ The sender should have sufficient information
- ▶ He should be able to encode the message
- ▶ He should act consistent to his role expectations
- ▶ The sender should be recognized and be perceived as trustworthy
- ▶ The sender should know the receiver

Characteristics of the Receiver

- ▶ He should be able to perceive (to hear and to listen)
- ▶ He should have sufficient information
- ▶ Provide feedback
- ▶ He should not be selective (perceptually)
- ▶ He should also be prepared to be a sender
- ▶ He should be willing to perceive the message (interest in the message and interest in the subject or in the person)
- ▶ He should act consistent to his role expectations

Characteristics of the Message

- ▶ It should be understandable and comprehensible
- ▶ It should be clear
- ▶ The communication should take place at the right time
- ▶ The communication channels should be appropriate
- ▶ The message should remain between the sender and the receiver

bi yanlış mesaj durumu verip buradaki
sorun nedir nereden kaynaklıdır diye
sorabilirim dedi

Examples of Messages

- ▶ «You've gotta complete your task as soon as possible». → clarity
- ▶ «Somebody must definitely finish that work». → clarity → when which work who
- ▶ «These psychopathological symptoms trigger the deviant behavior». → too complicatedly understandability
- ▶ «We have to meet sometime next week, we should invite some people to this meeting since we have things to talk about». → clarity → when who invite?
- ▶ «Before we finish this work, we need to send the consignment note to the maritime company». → understandability + clarity

Barriers to Effective Communication

Organizational Communication

► Purposes of Downward Communication

► Task orders

presentations, mails, reports, memorandums (official writing between departments), memo (tiny little notes that write to the employee to reminding things, post its), announcements-newsboard, news balatens (?) (bülten), organizational handbooks (to new employees) are common ways to do it

+ phone call

► Job rationalization

► Performance feedback

► Motivation

in cases of recruitment, crisis, change of positions, when policies are ignored, downward communications are needed.

► To convey policies and procedures

► Purposes of Upward Communication

► Reporting

department activities.
oral + written

► To convey problems, complaints and suggestions
